Could you please circulate this virtual conference to members. Majority of KPs are professionals and many will be interested to attend the conference on 4<sup>th</sup> and 5<sup>th</sup> December 2020. Prime Minister Narendra Modi will address the conference. This would be good for next generation KPs as well who are in tech field.

The members are also welcome to my Virtual Booth, they will have to brew their own Coffee!!

**IIT2020: Future is Now.**

Would recommend circulating it as stand alone email.

**IMAGINE. INNOVATE. INVENT**

**IIT Alumni Canada is proud to support PanIIT USA** to host one of the world's largest virtual summits,

**[IIT2020: Future is Now.](#)**

This conference will bring together change makers, innovators and thinkers, to innovate and inspire us all to rethink the future of humanity.

**IIT2020** will focus on the global economy, technology innovation, health infrastructure, habitat conservation, food innovation, and universal education.

- How do we create sustainable solutions for over 10 billion global citizens?
- How is the New Normal manifesting itself across the globe – across economy, health, education?
- And how are you contributing to this transformation?

The Future is invented when we let our imaginations soar beyond current paradigms to find innovative, sustainable solutions to some of the world's biggest challenges.

PanIIT expects over 50,000 people worldwide to attend the summit and take back solutions and approaches to implement. Through various media, PanIIT expects to reach over 500,000 with the message of innovation for global sustainability.
