

On behalf of Panorama India and our Board of Directors, I would like to thank you for participating as one of your key virtual parade float partners as part of the India Day and Virtual Grand Parade 2020 celebration held on Saturday August 15 and Sunday August 16, 2020. As we envisioned doing our first-ever digitally curated India Day and Virtual Grand Parade, our goal was to ensure that the larger community celebrated India's 74<sup>th</sup> Independence Day with glory and grandeur from the safety of their homes. Your float representing one of the states of India allowed us to truly provide a culturally diverse India Day celebration.

Panorama India, with the support of our Consulate General of India, Toronto, celebrated India Day 2020 with the largest digital India Day celebration on August 15<sup>th</sup> & 16<sup>th</sup>, 2020 with over 100 artists, largest state representation for the virtual parade and with 44 community organizations involved. As you are aware, the Panorama India Board is comprised of volunteers and we curate an event platform simply to serve as an umbrella organization that brings together our larger community to celebrate our rich heritage and culture. We are grateful to you and your commitment in supporting India Day 2020 a true success

I want to personally express my gratitude for your continued support for Panorama India's mission and for continuing to work with us so that we can serve the community in delivering celebratory platforms to our engaged community.

Regards,
