## Update #3 Communication Protocols – Community Connect and Empower New Immigrants/Arrivals Continue to be directed to KOAC!!

First and Foremost, Thanks to all those who have been kind enough to direct the new arrivals in Canada to the KOA Canada platform this has not only benefited the newcomers to attain maximum exposure with our entire talented community but also set the right precedence and further helped newcomers to get enrolled into our distribution list and help them to connect, empower and enroll themselves into multiple programs and virtual offerings. **A BIG Thank You!!**

In addition, it is brought to our attention where certain newcomers have not been directed to KOAC and the exposure remains to a certain private group. **Gentle Reminder.** Kindly continue to direct all newcomers and guide them to share their profiles with KOAC its benefit to the individuals / their families and to the entire community.

**Warm regards**
