Dear Community Members,

Hope this email finds you all well and in good spirits. Here to a positive and motivational Quote of the week

Please find updates enclosed for the week of Nov 16th as follows for your visibility

Global Kashmiri Pandit Business Foundation (GKPBF) - Global Launch Info

Global Kashmiri Pandit Business Foundation (GKPBF) was globally launched on 22nd Oct 2020. The vision of our foundation is to create a sustainable ecosystem for incubating start-ups, scaling up existing enterprises, restructuring stressed businesses, and creating new business ventures to create global success stories for the Kashmiri Pandit business community and with a spirit of inclusivity of other business communities in the world.

In our recent official and historical meeting with Hon. Lt. Governor of J&K, Shri. Manoj Sinha at Raj Bhawan in Jammu on 10th November 2020, who is committed to extending wholehearted support to our foundation in the facilitation of setting up of business ventures in UT. We have received his formal consent to invite investments from business leaders across the globe for investment in J&K. With this inspiring response from the government, we look forward to Canadian KPs to help/advise/guide with seeking expression of interest from within the community and another Indo-Canadian diaspora within your network to invest in J&K in the most feasible industry projects with the best return on their investment. The focused industry segments are Manufacturing, Agro, Commodity Trading, Smart City, IT/ITeS, etc. We are a team of internationally acclaimed professionals and we assure you of our best advisory support in preparing detailed market & financial feasibility reports and facilitate required due diligence to ensure you invest in the most feasible project, which will return in multiples of your investment in the due course of time.

We would like to convey to the potential investors that "Your equity and stakeholding will be secured and risk-free in the business venture. We shall be acting as facilitators throughout the journey from setting up of business ventures in terms of developing business strategies, talent acquisition, and establishing end-to-end operations. We have mentors and subject matter experts, who will help you and your business venture to achieve the desired business results. We look forward to receiving a positive response from your side after you share this info with the Indo-Canadian fraternity and we seek the following info from them in writing with the following details:

1. Preferred Industry
2. Preferred Business Venture
3. Preferred Share of Investment (CAD\$)
4. Preferred ROI in 5 years after the first sale
5. Preferred CAPEX (US\$)

We hope we are able to invoke some inspiration in the Canadian KP & Indo-Canadian fraternity through KOAC to invest in UT of J&K, which is at the cusp of growth and prosperity after the historical revocation of Article 370 & 35A. **We are holding a first ever "Digital Global Investor Meet" between J&K government officials and top 25 global investors later next week, therefore your immediate expression of interest is required to make you part of this virtual investor's meet.** The information will be shared shortly once the dates are decided. Please direct your response to organization directly contact@gkpbf.org for further discussions.

Subject: Bharat Ko Janiye Quiz and Yoga for Wellness
Dear friends,

As shared with your earlier, the Government of India under its various initiatives to connect Indian Diaspora to its roots in India had launched **Bharat Ko Janiye Quiz**. This Quiz is now also open to foreigners. Under this unique opportunity, the winners would get a chance to visit India and be awarded by none other than Hon'ble PM Shri Narendra Modi ji. PIO, NRI & foreigners between the ages of 18 and 35 may apply. Registration for #BharatKoJaniye quiz is open till 30 November 2020 and can be done on <https://bharatkojaniye.in/>

Separately, the impact of COVID-19 has made the need for mental health care greater than ever before. In view of this, the Consulate will be launching a monthly "Yoga for Wellness" series with Isha Foundation starting this month on Sunday, November 22nd at 10am ET. The first session will be on Yoga For Respiratory Health with a focus on Simha Kriya. Simha Kriya, is a simple yogic process to boost immunity and enhance lung capacity. This process has been specifically designed to support the respiratory system, enhance lung capacity and boost immunity.

Community members desiring to participate may register at www.isha.us/yoga-for-toronto to join the session for free. A poster with the details is attached.

It is requested that same may be provided suitable coverage though your organization/association for a larger participation.

Regards,

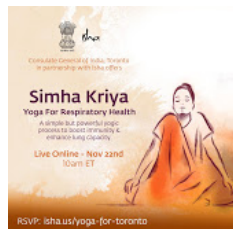

Dheeraj Pareek
Consul (Press, Info. & Comm. Welfare)
CGI Toronto,
#700, 365 Bloor St. East,
Toronto, ON, M4W 3L4
